

# LZPAC Infant Formula & Diaper Release

---

## INFANT FORMULA/FOOD SIGN-OFF (Birth - 1 Year)

Learning Zone Preschool and Childcare participates in the Child and Adult Care Food Program (CACFP) and is required to provide the same meals and snacks to all children, including appropriate food for infants. The weekly and daily rate for infants is for childcare only. We have not built the cost of infant meals into our rates; therefore, an extra fee of \$15/day or \$70/week will be added to the infant rate if a parent chooses to participate in this service.

\_\_\_\_\_ I want LZPAC to provide generic iron-fortified formula and age appropriate foods for my child. I understand that an additional fee will apply until my child is 1 year of age.

\_\_\_\_\_ I understand LZPAC offers iron-fortified formula and age appropriate foods, however, I choose to provide food for my child until he/she turns 1 year of age.

## DIAPER SIGN-OFF

Learning Zone Preschool and Childcare will provide diapers to children at a per diaper cost of \$1.00 per diaper

\_\_\_\_\_ I want LZPAC to provide diapers.

\_\_\_\_\_ I understand LZPAC provides diapers, however I choose to provide diapers for my child until he/she is fully potty trained.

If my child runs out of parent supplied diapers, I understand that I will automatically be charged \$1.00 per diaper.
